

K-LOVE is a wonderful broadcast. It allows me to feel a sense of community with other believers. This is the only radio my young boys listen to and they love the positive “Jesus” music they hear and we are all encouraged by the music and stories.

There would be a lot of un-happy people if we were to loose our K-LOVE radio station. It is a useful tool to minister to unbelievers.

It is in the best interest to keep K-LOVE on the air because it provides positive alternatives to today’s music for kids and adults who need to be encouraged daily. We all need an option where music is concerned and K-LOVE is the best option I know of.

Thank you for your time in reading my comments. I truly hope you will allow K-LOVE to remain on the air.
